Larch Limewashed

The image features a background of vertical wooden planks, likely made of pine or a similar softwood, showing natural grain patterns and some knots. The planks are arranged in a staggered, overlapping fashion. A white horizontal bar is positioned on the left side, partially overlapping the planks.

PLANKE

OAK BRUSHED

The image shows a close-up, vertical view of a light-colored oak wood floor. The wood grain is prominent, with various knots and patterns visible. The color is a warm, creamy tan. A white horizontal bar is positioned on the left side of the image, containing the text 'OAK CREME' in a dark, sans-serif font.

OAK CREME

The image features a dense, vertical wood grain texture of light-colored oak. The grain is characterized by wavy, vertical lines and numerous small, dark, circular knots scattered throughout. The color palette is a range of light beiges and off-whites, with subtle variations in tone and texture across the surface. A white horizontal bar is positioned in the upper left quadrant, containing the text 'OAK VIRGINIA WHITE' in a clean, black, sans-serif font.

OAK VIRGINIA WHITE

The image displays a dark grey, almost black, wood grain pattern. The grain is vertical and features a prominent, wavy, 'rustic' texture with visible knots and variations in tone. The overall appearance is that of a high-quality, dark-stained oak wood.

OAK RUSTIC SILVER

OAK POLAR WHITE

The image displays a vertical wood grain pattern in a light, off-white color. The grain is characterized by wavy, vertical lines and small, dark, irregular spots that resemble knots or natural imperfections in the wood. The overall texture is smooth and consistent, typical of a high-quality wood veneer or laminate.

BARRIQUE

The image shows a close-up, vertical view of a wooden surface with a prominent oak grain pattern. The wood is a warm, medium-brown color with darker, wavy lines and occasional knots. The texture is highly detailed, showing the natural grain of the wood. A white horizontal bar is positioned in the upper left quadrant, containing the text 'OAK FLOOR BOARD' in a clean, sans-serif font.

OAK FLOOR BOARD

The image features a full-page background of a light grey oak wood texture. The wood grain is vertical, with numerous knots and natural imperfections visible throughout. The color is a muted, charcoal grey, giving it a modern and rustic appearance. A white horizontal bar is positioned on the left side, containing the text 'OAK GREY' in a clean, sans-serif font.

OAK GREY

SIBIRIAN LARCH LIMEWASHED

The image displays a vertical wood grain pattern in a light, greyish-brown hue. The grain is characterized by vertical lines and small, dark knots, creating a natural, textured appearance. A white horizontal bar is positioned in the upper left quadrant, containing the text 'OAK CASTLE WHITE' in a bold, black, sans-serif font.

OAK ANTIQUE

The background of the entire image is a dense, vertical pattern of oak wood grain. The planks are oriented vertically and vary in length and width, creating a textured, layered appearance. The color palette is a range of natural wood tones, from light tan and beige to deep, rich browns and near-black accents, highlighting the organic grain patterns and knots of the oak.

OAK WASHED

The image displays a detailed texture of oak wood with an antique wash finish. The wood grain is prominent, showing natural variations in color from light tan to dark brown, with some areas appearing more weathered or stained. The texture is highly detailed, capturing the natural imperfections and grain patterns of the wood. A white rectangular box is positioned in the upper left corner, containing the text 'OAK ANTIQUE WASHED' in a clean, sans-serif font.

OAK ANTIQUE WASHED

The image features a background of light-colored maple wood with a vertical grain pattern and visible knots. A white horizontal bar is positioned on the left side, containing the word "MAPLE" in a dark, sans-serif font.
